WARWICK

The First Lady Dry Rosé 2025

Varietal: 100% Pinotage

Wine Of Origin: Western Cape

In The Glass: The wine shows a soft and inviting nose with aromas of peaches, rose petals, and raspberries. The palate is finely structured and brimming with notes of wild strawberries, blood orange, and grapefruit. The finish is textured and delicate.

Winemaking: Grapes were picked at low sugars and ripeness to make this delicate and juicy Rosé. Skin contact is kept to a minimum to ensure the beautiful light colour of the wine. Fermentation takes place in stainless steel and bottled soon after the fermentation is complete to retain freshness.

Analysis:
Alc: 11.5%
RS: 1.7
TA: 5.1
PH: 3.36
