

THE TERRIOR RANGE

Skraalhans Pinotage 2024

Skraalhans is a gangly weed found in our vineyards, often growing taller than the Bush vines themselves. Our hands-off approach has allowed the vineyards to shine through, giving the wine a profound sense of place. This new, vibrant version of Pinotage is bright, fresh and elegant

TASTING NOTE

This wine is dominated by red fruits with classic cherry and mulberry notes. With a vibrant palate and sweet tannins, this wine has a plush and bright finish.

GRAPE VARIETY

Pinotage

IN THE VINEYARD

From vines planted in 2015. These trellised vines are unirrigated and yield between 10 – 12 tons per hectare.

IN THE CELLAR

Grapes were machine harvested at 22.0 balling to preserve freshness and maintain lower alcohol. The must was inoculated with biodynamic yeast and only spent 3 days on the skins with two light pump-overs per day. After gently pressing, the wine was transferred to stainless steel tanks for malo-lactic conversion. After completion the wine is age for 11 months in tank with gentle micro-oxygenation to give the wine a smooth finish.

AGEING

3 – 5 years

ALCOHOL	TOTAL ACIDITY	RESIDUAL SUGAR	PH
13.25	5.4g/l	4.3 g/l	3.36
