WARWICK

The First Lady Sauvignon Blanc 2026

Varietal: 100% Sauvignon Blanc

Wine Of Origin: Western Cape

In The Glass: On the nose, the wine shows fresh green figs, ripe passion fruit, and freshly cut grass, supported by gooseberry, and lime. The palate is smooth and concentrated with a mouthwatering acidity, ready to enjoy now.

Winemaking: Hand-harvested in the early morning to preserve freshness. Grapes were de-stemmed and crushed with 6–12 hours of skin contact, depending on acidity. After gentle pressing, fermentation took place in stainless steel at cool temperatures to enhance aromatics. The wine was kept briefly on the lees before bottling.
