WARWICK BLUE LADY 2021 CABERNET SAUVIGNON

VARIETAL: 100% Cabernet Sauvignon

WINE OF ORIGIN: Stellenbosch

TASTING NOTE: Classis Simonsberg-Stellenbosch Cabernet Sauvignon. Expressive nose of plums, dark cherries, pencil shavings and spice. The palate is packed around a core of dark fruit, finely textured tannins, oak spice and cedarwood. Ageing recommendation: 5 years or more

WINEMAKING: Made up from 2 vineyards, one on a Northly Facing slope and the other on a South-Easterly slope, each component was harvested separately, de-stemmed and hand sorted into tank. The wines spent between 14 and 21 days on the skins, depending on their tannin structure with two to three pump overs per day. Once the fermentation is completed the wines are pressed to undergo malolactic fermentation in barrel and tank. After completion, the wine was racked to French oak barrels (33% new oak, 33% second fill, 34% third and fourth fill) for a period of 23 months. Components are blended and allowed to clarify naturally before filtration and bottling in June 2023.

FOOD PAIRING: Dry aged roasted fillet of beef, with creamy baked potatoes and salt crusted sugar snap peas.
